“The Chapel Way”

November 1, 2018

What is the “Chapel Way”?

The Chapel Way is our motto. We believe that **Competitive, Hardwork, Attitude, Pride, Excellence, Loyalty** is the key to providing player and coach development designed to create a fun learning

environment that will provide everyone the opportunity to achieve their soccer aspirations.

WCSC Hosted The FA Coaches clinic

Craig Hinton, National Coach Developer of the English Football Association, provided coaching education for all Wesley Chapel Soccer Club coaching staff in August. The training focused on the coaching fundamentals used by club coaches in the developmental academies that feed into the English Premier League. This is just one more way that WCSC is investing in coaching development so that we can provide the players a better soccer experience.

WCSC Topsoccer Program

We are excited and proud to offer our new Topsoccer program. Our Free TOPSoccer (The Outreach Program for Soccer) Program is a community-based program that is

designed to meet the needs of children and young adults that have physical and/or intellectual disabilities ages 5 to 19. The program is geared towards player development rather than to competition.

WCSC Hosting the second part of the New US Soccer D course hosting-first in the Tampa Bay Area in November 3rd & 4th

Wesley Chapel was selected to be the first FYSA club to host the new US Soccer D License course in the Tampa Bay area, with the first course meeting held Sept 7-9. Six Wesley Chapel coaches have completed the 45 hours of coursework and two 2.5 day classroom training sessions required to get the license. The course is being instructed by our own Technical Director Richard Chisolm, who is an Instructor for US Soccer and FYSA. “Coaching development through formal educational experiences like this is one part of our efforts to promote the Chapel Way for our club. We are excited to be honored by US Soccer and FYSA, as it reflects their respect of the club and the professionalism of our efforts to support coaching education” he said in a recent interview.

Land O Lakes FL

Complete Athlete

Complete Athlete provides a content-centered app with a global community of athletes, coaches, parents, followers and fans - all focused on achieving the highest levels of performance through a 360 degree approach that balances attitude, preparation, fitness, technique, and lifestyle. We will be launching the Complete Athlete Program in the coming months.

Wesley Chapel full member of CDL for U9 & U10 Boys/Girls!

Wesley Chapel will join the prestigious Club Director's League as members of their Winter Junior Academy League this fall. Our U9 and U10 Boys and Girls' teams will begin competition in the league in early November. The CDL is organized so that each game day features all of the teams from one club playing all of the teams from another. This allows for our Directors to see all of the teams play in the same place in the course of a single day, making it much easier to support/evaluate our teams, players, and coaches in their development.

"Access to higher leagues and better opportunities to comprehensively assess our performance in real time is another element of the the Chapel Way" - Club Technical Director Richard Chisolm

Pasco Plan for Indoor Facility at WCDP

The continued growth of our competitive, recreational and Tarsa teams is becoming an issue with field space at WCDP. This growth is in part due to the new soccer management team of Eddie Oyakhilome (Director of Coaching), Richard Chisolm (Technical Director), Stuart Campbell (Director of Youth Development) and David McFeron (Director of Recreational) together with a supportive soccer board. The new and massive Wiregrass Sports Complex behind Florida Hospital Wesley Chapel, which boasts more than

100,000-sq.-ft. of playing area and a new Marriott-branded Residence Inn hotel, has grabbed all the headlines the past few years.

Meanwhile, Pasco County is getting ready to seek bids to build a smaller indoor facility at the Wesley Chapel District Park (WCDP), which is located at 7727 Boyette Rd. near Overpass Rd. Read more of this new project at http://ntneighborhoodnews.com/2018/10/pasco-county-take-bids-build-indoor-sports-facility-wc-district-park/?fbclid=IwAR1WnmMc_oFS97o9s229wCkrT8tjJqQa1cadN_kfcxQP-YD4J6F8vywmGow

Our Recreational Tarsa Program

Our Fall recreational program started in October and runs through to winter. With over 432 plus players ages U5 - U19 age divisions. We have 71 volunteer parent coaches.

Our parents in cooperation with our competitive coaching staff volunteered their time and evaluated 300 plus Players over two evenings and completed

them all in less than 3 hours. In past evaluations we ran 4 nights, and 2 hours each night to get the same results. This level of efficiency would not have worked without all the help we received. This is an example of "The Chapel Way". We support all our programs with the right personnel and resources.

WE OFFER TWO DIFFERENT SEASONAL, RECREATIONAL PROGRAMS:

- For children in the **U5** through **U12** age divisions for Fall;. We offer (please click on the link below for more info):

[Fall Recreational Soccer](#) (Registration Closed)

- For children in the **U14** through **U19** age divisions for Fall (please click on the link below for more info):

Land O Lakes FL

[TARSA Recreational Soccer](#) (Registration Closed)

- For children in the **U6** through **U14** age divisions for the Spring Season, we offer (please click on the link below for more info):

[Spring Recreational Soccer](#) (Opens in February)

Development Academy Program

(Building a foundation for future soccer success)

Wesley Chapel Developmental Academy (DA for short) is specifically designed to offer younger players a higher level of soccer training at an early age in a fun and age appropriate way. By teaching players "the right way" to play the game early on.

- We focus on teaching technical skills and promoting a passion for the game.
- Our training at this age will lead to many more years of enjoyment and success on the field for them.
- Our DA coaches are qualified licensed paid coaches and no parent volunteer

For the 2018-19 season, The DA Program will accept children born in calendar years 2011-2012-2013. Teams will be split up primarily according to the child's age, but this division will also be flexible according to the skill. The intent is to provide your child a safe, positive, motivating environment where he/she can develop their team and individual skills.

Thanksgiving Break

No training on Thanksgiving week November 19th - November 25th 2018. For those players that are not traveling, sign up for the [Thanksgiving Soccer Camp](#). More information on the camp below.

Wishing all our families and community a happy Thanksgiving

November Coach of the Month

Coach Shane Browne is our coach of the month. Let's congratulate him and his team for his passion and dedication to his teams, parents and the club. Coach Browne started working with 8 players during tryouts and have managed to field a full team of dedicated players and families. The team made it to the semi finals of the Columbus

Day Weekend Tournament. This is a testimony of a coach that believes in "The Chapel Way". Congratulations to coach Browne

October Team of the Month

The U13 Boys White team is the team of the month. This boys have had a tough couple of years with multiple coaching changes and have come together as a team. They have taking a positive approach to the season by taken advantage of the three training sessions a week and embracing the clubs culture and philosophy. They have already shown improvement since August. This is a team that have shown hardwork and commitment to training pays off and great to see these boys having fun at training and games with their new coach Juan Serna. Please make every effort congratulate all members of the team when you see them at the field.

Scholar Athletes

We recognize all our scholar Athletes that receives grades A's and B's in their quarterly school reports. Managers and coaches please send in your Scholar Athletes to be recognized in our Newsletter.
