## What is "The Chapel Way"?

*It describes the way we play.  
It defines who we are.*

We believe that **Competitiveness, Hard work, Attitude, Pride, Excellence, Loyalty** are core values needed to create a learning

environment that will provide everyone the opportunity to achieve their soccer aspirations.

### Our Mission

We are a community-based soccer club focused on creating a fun learning environment that will provide players of all levels the opportunity to achieve their soccer aspirations.

### Our Philosophy

We create a culture of continuous improvement while operating with integrity, humility, accountability, and respect.

### Our Vision

We desire to be recognized as the premier club for soccer player development in the country by fostering a culture of continuous improvement.

### Professional Accomplishments

Our club's Director of Coaching **Eddie Oyakhilome** has been selected to coach the All Stars senior teams at the upcoming 2nd Annual USA Soccer League College Showcase. **United**

**Soccer Association** is proud to announce the 2nd annual College Showcase to take place on Sunday, January 27, 2019, 8 am – 4 pm at FC Tampa Shimberg fields. This event is a FREE, invitation only showcase for 15u through 19u boys & girls who have aspirations of playing at the collegiate level.

*"The league is excited to be able to showcase the league's talent, to provide an opportunity for the kids to play in front of college coaches and continue to provide value to our member clubs. This is another example of what sets the USA League apart from other leagues." says USA League President, Paul Van Steenberg.*

College coaches from all levels (NCAA, NAIA, NCCAA, NJCAA) will be in attendance to evaluate players. College coaches to be announced on the USA League website, as they are confirmed. The showcase will be structured to give players multiple opportunities to showcase themselves in a combination of small sided games (7v7) and full sided games (11v11). Training gear, water and lunch will be provided courtesy of the United Soccer Association. It is an honor to have our DOC selected to help

showcase the talents of these young players in front of college coaches.

### WCSC Topsoccer Program

We are excited and proud to offer our new TOPSoccer (The Outreach Program for Soccer) program. This free program is a community-based program that is designed to meet the needs of children and young adults that have physical and/or intellectual disabilities ages 5 to 19. The program is geared towards player development rather than to competition.

### USSF C Coaching License

Congratulations to our Director of Coaching **Eddie Oyakhilome** for earning the US Soccer "C" coaching license after an extensive and rigorous regime of coursework and testing!

### US Soccer Grassroots Courses

Wesley Chapel is hosting the US Soccer Grassroots courses on **January 21** and **23**, 2019. These courses are the entry-level courses for coaching development, great for recreational and competitive coaches alike! Our club Technical Director **Richard Chisolm** will be instructing.

### Olympic Development Program

Congratulations to **Annelise Vizza (07 Girls Red)** and **Arre Jones (05 Boys Red)** for being accepted to the 2005 FYSA Olympic Development Program Pool. Both players will have an opportunity to represent Wesley Chapel Soccer Club and the state of Florida next summer at the US Youth Soccer ODP Regionals as a result of this selection.

### Scholar Athletes

We recognize all scholar athletes that receive grades A's and B's in their quarterly school reports.

Managers and coaches please send in your Scholar Athletes to be recognized in our Newsletter.

**Straight A's:** Kyndal McMillian

### Complete Athlete

Complete Athlete provides a content-centered app with a global community of athletes, coaches, parents, followers and fans - all focused on achieving the highest levels of performance through a 360-degree approach that balances attitude, preparation, fitness, technique, and lifestyle. We will be launching the Complete Athlete Program in the coming months.

**Ziad and Walid Khoury** from the Complete Athlete visited Wesley Chapel on December 2nd and met with our DOC Eddie Oyakhilome to discuss the value and importance of Complete Athletes in sports. Wesley Chapel Soccer Club is looking forward to partnering with Complete Athlete to guide players, parents, coaches and our community through each step in their soccer journey.

### Field Maintenance

We want to thank our families for their patience during the field closures allow the county to reseed and maintain our fields. We appreciate everyone working with us as we move teams and schedules around. With competitive, recreational and lacrosse working together, it shows that we are a community of one. This is the CHAPEL WAY.

We also want to thank the County, **Daniel Tarshner** and his crew for doing a great job in recovering our fields and all their hard work in getting the fields back in great shape. Our field liner **Doug Nolting** for continuing to make sure the fields are lined for all the teams and also **Wes Bonner** for constantly making sure that the goals are in place for weekend games. **Jennifer Blevins** and **Richard Chisolm** for putting

together training schedules and adjustments every week to accommodate all sports and teams. We thank everyone involved in the process.

### Our Recreational TARSA Program

Our Fall recreational program started in October and runs through to winter. With over 432 plus players ages U5 - U19 age divisions. We have 71 volunteer parent coaches. Our parents, in cooperation with our competitive coaching staff, volunteered their time and evaluated more than 300 players over two evenings and completed them all in less than 3 hours. In the past, evaluations ran 2 hours each night for 4 nights to get the same results. This level of efficiency would not have worked without all the help we received. This is another example of "The Chapel Way". We support all our programs with the right personnel and resources.

### Development Academy Program

*Building a foundation for future soccer success.*

Wesley Chapel Developmental Academy (DA for short) is specifically designed to offer younger players a higher level of soccer training at an early age in a fun and age appropriate way.

- We focus on teaching technical skills and promoting a passion for the game.
- Our training at this age will lead to many more years of enjoyment and success on the field for them.
- Our DA coaches are qualified licensed paid coaches and no parent volunteer

For the 2018-19 season, The DA Program will accept children born in calendar years 2011-2012-2013. Teams will be split up primarily according to the child's age, but this division will also be flexible according to the skill. The intent is to provide your child a safe, positive, motivating environment where he/she can develop their team and individual skills.

### Player Highlight - Kyndal McMillian:

In addition to being one of the best U10 Goalies in Tampa Bay, Kyndal is a well rounded person. Kyndal is a straight A student, loves animals and visiting pet farms. She is in the process of writing her first chapter book and has already worked with other young authors on a Christmas book collaboration that was published this past holiday season. Kyndal is surprisingly shy but when it comes to sports she is in her element and gets "beast mode". She is a well rounded athlete and loves ALL sports. She is an outdoors girl at heart! Loves working out and helping her dad with his track club and younger fitness clients. On her off days she continues to train and goes to Coach Lassiter for additional help on her footwork to make sure she stays on top of her game. Kyndal is an

amazing young lady that loves her teammates and truly LOVES the game of soccer.

### January Coach of the Month

**Coach David McFeron** is our Coach of the Month. Let's congratulate him and his team for his passion and dedication to his teams, parents and the club. This is a testimony of a coach that believes in "The Chapel Way". Congratulations to Coach David McFeron and his team.

### January Team of the Month

The **U14 White Girls** team is our January team of the month. The leadership of Coach David McFeron and Marissa Mohammed

has helped this team grow significantly. They struggled to win games at the start of the season but they worked hard and focused on building team chemistry. This has resulted in upward direction in their development as a team. The coaches have been positive role models for the girls and it's great to see the turnaround in their soccer skills and ability. Please make every effort congratulate all members of the team and staff when you see them at the field.

### January Birthdays

Samantha Scott - 1/20

Alaina Connors - 1/29

Bre Sanders - 1/29

### Orange Classic Showcase Success!

Our U19, U17 and U15 girls travelled to Miami to participate in the Orange Classic Girls College Showcase from December 28-30. **The results were outstanding!** Playing in front of many college coaches from around the country, our players, coaches, and families represented themselves and the club brilliantly! Our players got a lot of inquiries from various college coaches, and **Maeve McDougal** from the 02 Girls Red team was recognized by the tournament by receiving the **Neal Brady Scholarship Award** for her performance in the tournament.

The **00 (U19) Girls Red**, coached by **Matt Blevins** played in the top bracket and went **undefeated** (1 win, 2 ties), placing 2nd. The **02 (U17) Girls Red**, coached by **Maria Mohammed** and **Florin Petrascoiu** also went **undefeated** (3 wins) and won their bracket! Playing with a mixed U14/U15 team, the **04 Girls Red**, coached by **Matt Blevins** only lost one game, to the eventual tournament champion. The teams all stayed together and attended each others' games. "The amount of support we all showed each other solidifies why we are a club to be reckoned with, the Chapel way!" - Coach **Maria Mohammed**. Congrats to the teams for doing it "The Chapel Way".
